

PATROL REPORT – CALLSIGN 2-1

Patrol conducted 111900H to 120300H SEP 26

Fictional exercise material.

1. Route: Patrol moved along the western coastal track between Murai and Sarimbun, then east toward Lim Chu Kang.
2. Observations:
 - a. 112130H – Vehicle noise and engine warm-up heard from the direction of Sarimbun. Patrol observed at least twelve main battle tanks, assessed as T-72, in a harbour area 800 m inland. Tactical markings consistent with the Divisional Reserve Tank Regiment. Estimated strength observed: one tank battalion.
 - b. 120015H – No enemy activity observed in the vicinity of Murai. The area previously reported as a recce hide appeared unoccupied.
3. Patrol returned without contact.
